---

## SUMMARY

Final-year Computer Science student with a passion for building impactful tech solutions. Proficient in Java, Python, SQL, and front-end technologies including HTML, CSS, and JavaScript. Experienced in developing user-focused web applications and analyzing network activity through academic projects and internships. Certified in Google Cybersecurity, Splunk, Google AI Essentials, and NPTEL Java. Eager to contribute to innovative teams and continue learning in a fast-paced technology environment.

---

## WORK EXPERIENCE

Cybersecurity Trainee , Eagle HiTech Softclou Private Ltd.

Nov 2024 - Dec 2024

- Worked on CMAC project involving basic system design and coding. Gained hands-on experience in networking and cybersecurity, including computer architecture, IP addressing, subnetting, and protocols like ARP and DHCP. Explored network devices, transmission mediums, and practical applications of LAN, WAN, and topologies.

Web Development Trainee , CodeBind Technologies

Jun 2024

- Gained practical knowledge in web development by working on projects involving front-end and back-end technologies. Developed interactive and responsive web pages for user-friendly experiences.
- 

## PROJECTS

### Recipe Book Website

- Developed a dynamic and visually appealing Recipe Book website using HTML, CSS, and JavaScript. The site allows users to browse, search, and add recipes through an interactive and responsive interface. Focused on user experience, clean design, and front-end functionality. Gained practical skills in DOM manipulation, form handling, and real-time UI updates.

### Ice Cream Ordering Website

- Developed a vibrant and responsive ice cream ordering website using HTML and CSS. Designed an intuitive interface with engaging visuals, interactive flavor selection, and order form functionality. Showcased strong front-end skills, creative design thinking, and attention to user experience.

### Network Bandwidth Monitor

- Developed a real-time network bandwidth monitoring tool using java, leveraging data visualization techniques to provide users with clear and interactive insights.

## TECHNICAL & PROGRAMMING SKILLS

- Java Programming , Python Programming
  - HTML, CSS , JavaScript
  - SQL Programming
  - Git and GitHub
  - Wireshark
  - Microsoft Excel
- 

## EDUCATION

### **B.E in Computer Science and Engineering**

Velammal Engineering College , Chennai.

Nov 2022 - Present

8.40 CGPA

### **HIGHER SECONDARY (XII)**

The Velammal International School , CBSE , Chennai.

Jun 2019 - Mar 2021

83.2%

### **SECONDARY (X)**

Vidyaa Vikas International School , CBSE , Tanjore.

Jun 2017 - Mar 2019

78.4%

---

## CERTIFICATIONS

- Google Cybersecurity Professional Certificate — Dec 2024
  - Google AI Essentials — Feb 2025
  - Splunk: Introduction to Cybersecurity — Feb 2025
  - Splunk: The Cybersecurity Landscape — Feb 2025
  - Splunk: Understanding Threats and Attacks — Apr 2025
  - Splunk: The Art of Investigation — Apr 2025
  - Splunk: Data and Tools for Defense Analysts — Apr 2025
  - NPTEL Java (Elite Certificate) — May 2023
- 

## AREAS OF INTEREST

- Front End Development
  - System Architecture and Networking Protocols
  - Cybersecurity and Network Security
  - Data Structures and Algorithms
- 

## DECLARATION

I hereby declare that all the information given above is true and correct to the best of my knowledge
